

## **Macquarie Football Limited**

### **COACH/MANAGER ID TAGS 2011**

For 2011 season, the Bench System rules shall apply.

This means that only the reserve interchange players who will actually be taking part in the match may sit on the bench. Players who are injured or not taking part in the current match **MUST NOT** be on the bench; these players must remain outside the field fence.

Only **THREE** team personnel are permitted on the Bench at any time – the Team Coach, Team Manager and Team Official (if relevant). Teams may use only 1 or 2 team personnel if desired. Each **MUST** be a registered Team Coach, Manager or Team Official.

Each of the two persons on the Bench **MUST** be wearing a generic Coach, Manager or Team Official ID tag – a laminated MFL card on a lanyard – as issued to Clubs in 2009 - 2011. These tags are meant for re-use from season to season so Clubs must collect them at the end of season 2011 for re-issue to Club personnel in 2012.

If any of the three Club personnel on the Bench fails to wear the C/M/TO ID card on the lanyard around the neck, such person may be removed from the Bench by the match Referee (in which case the person must remove himself/herself outside the field fence). Referees have been appropriately instructed on this matter.

Clubs need to instruct Club personnel on the correct use of C/M/TO ID cards and the correct use of the Bench.

Clubs that require additional C/M/TO ID cards from those issued may obtain extras from MFL Office if genuinely needed.
